Our key learning resources include Interactive Videos for IGCSE & AS/A Levels, as well as Interactive eTextbooks and eWorkbooks for Cambridge Primary Checkpoints and Lower Secondary.

Our Interactive Videos are based on a dialogic teaching methodology and thus incorporate conversational teaching methods between a teacher and student so as to simplify complex concepts. Additionally, we incorporate diagnostic lesson quizzes to ensure subject understanding, retention, and mastery. Fun simulations and Kung Fu Quizzes make the experience even more engaging!

Our eTextbooks and eWorkbooks include the relevant teacher's guides and also additional materials in way of extra PPTX and PDF lesson materials, including Testpapers.

Over 70% of students on mySecondTeacher have scored distinctions in their IGCSE Examination.

In partnership with Alston Education, mySecondTeacher aims to facilitate resource accessibility while ensuring academic excellence. eBooks from our partnered publications are curated to support holistic education, offering a wide range of additional interactive learning contents such as audio, video, fun simulation and PDFs backed up by our platform's feature to scribble, take notes and bookmark pages. Pages from these books might even be digitally assigned to students as homework, and marked digitally by teachers!
