Caring Parents

About Our
Learning Resources and Pedagogy

Our Interactive learning resources and rich feature-set make us the best academic delivery platform in the industry. Hundreds of top international schools and users from across 50 different countries depend on mySecondTeacher and choose us to be their academic delivery solution.

Our Awards

Our key learning resources include Interactive Videos for IGCSE & AS/A Levels, as well as Interactive eTextbooks and eWorkbooks for Cambridge Primary Checkpoints and Lower Secondary.

Our Interactive Videos are based on a dialogic teaching methodology and thus incorporate conversational teaching methods between a teacher and student so as to simplify complex concepts. Additionally, we incorporate diagnostic lesson quizzes to ensure subject understanding, retention, and mastery. Fun simulations and Kung Fu Quizzes make the experience even more engaging!

Our eTextbooks and eWorkbooks include the relevant teacher's guides and also additional materials in way of extra PPTX and PDF lesson materials, including Testpapers.

Over 70% of students on mySecondTeacher have scored distinctions in their IGCSE Examination.

In partnership with Alston Education, mySecondTeacher aims to facilitate resource accessibility while ensuring academic excellence. eBooks from our partnered publications are curated to support holistic education, offering a wide range of additional Interactive learning contents such as audio, video, fun simulation and PDFs backed up by our platform's feature to scribble, take notes and bookmark pages. Pages from these books might even be digitally assigned to students as homework, and marked digitally by teachers!

Our Offerings

We focus on the Cambridge curriculums because of our in-depth expertise and knowledge in the Cambridge syllabuses and the Cambridge learner and teacher attributes.

For Responsible Teachers

Our Features

mySecondTeacher and its innovative features empower teachers like you by providing the necessary tools to enhance your teaching methods and facilitate an effective learning environment. By integrating technology into the educational process, our platform aims to support you in your instructional practices and enable you to deliver high-quality education.

Everything that you can do in mySecondTeacher as a teacher, depending on the subjects that you are given access to:

Hassle-free Assignment Process

- Give Assignments from Interactive Videos, eTextbooks, eWorkbooks and Testpapers
- Set deadlines
- Share class notes required to complete Assignments
- Receive submission, give feedback and grade Assignments
- Get in-depth assignment insights with Diagnostic Reports and Question Analytics.

Learning/Teaching Resources

- Teach from Interactive Videos and eBooks
- Access Teacher's Guide containing effective teaching methodologies and scheme-of-work
- Access additional teaching resources from "Global Resources"
- Create your own Testpapers from our question banks
- Upload your own resources, which you may share both with school colleagues as well as your class

Schedule Classes

- Schedule Online or In-Class Sessions
- Share documents or photos of activities done In-Class on the platform to aid future revision
- Track attendance
- Track all offline and In-Class Sessions, and even track the platform activities of your students

Chat Rooms for Collaborative Learning

- Create classroom or project specific chat groups
- Seamless interaction with students
- Share documents

Announcements to Parents, Teachers & Students

- Send General Announcements
- Send eConsent Announcements

Note: Feature updates might be carried out periodically without prior notification, to provide a better user experience. Please contact us via Chat Support for assistance regarding the platform.

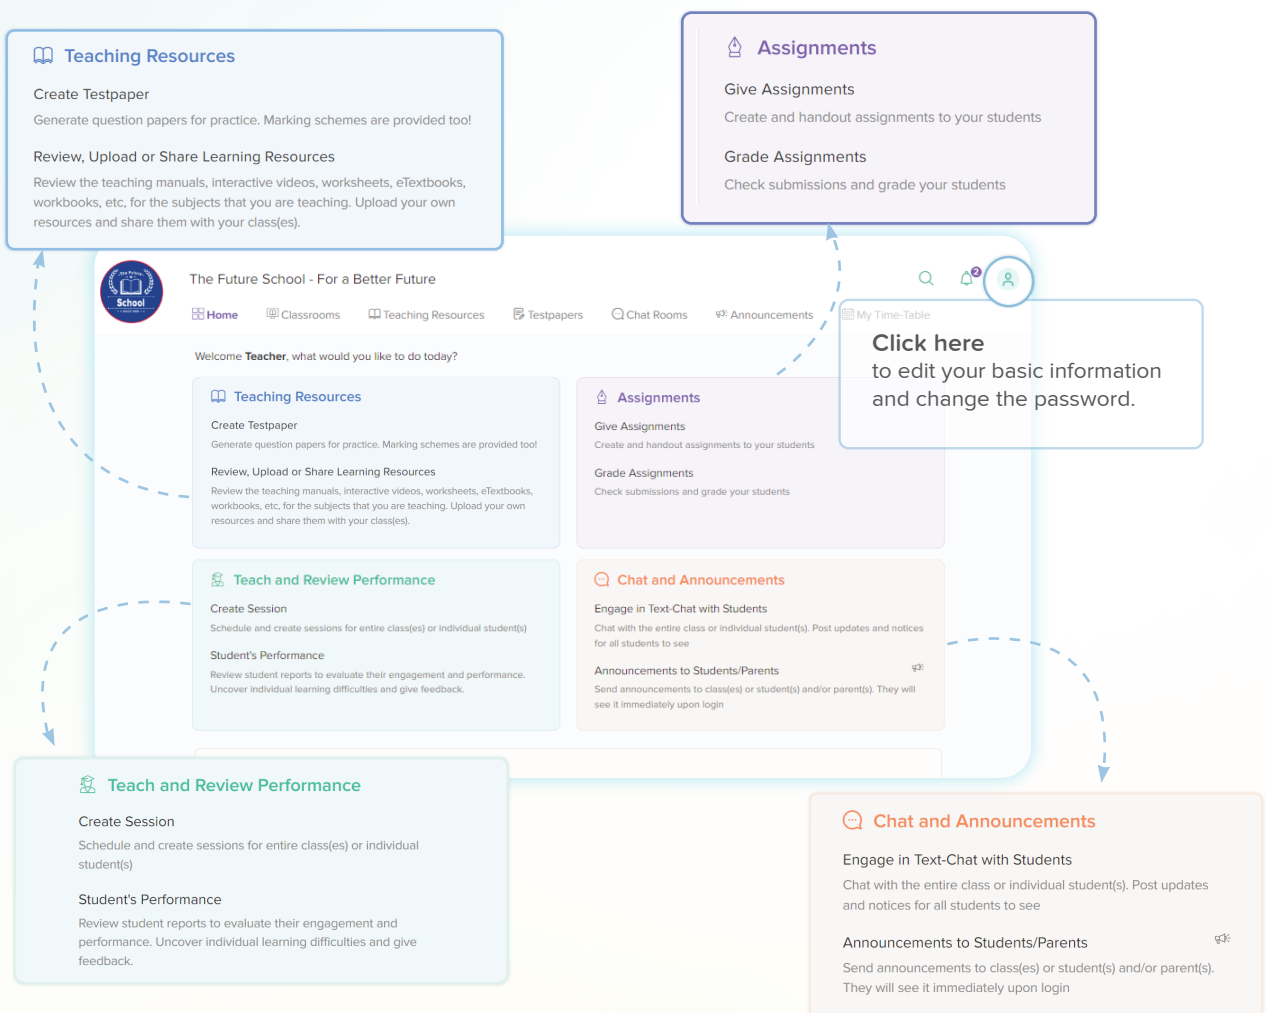

mySecondTeacher

For Responsible Teachers

mySecondTeacher provides a convenient platform for you as a teacher to carry out your daily tasks. With the integration of innovative technology, our features are designed to assist you in efficiently monitoring and tracking student's Online and In-Class academic progress, engagements, strengths, and areas for improvement with convenience. By leveraging our tools, you can enhance your teaching practices that ultimately contributes to the academic success of your students.

A Teacher's Dashboard

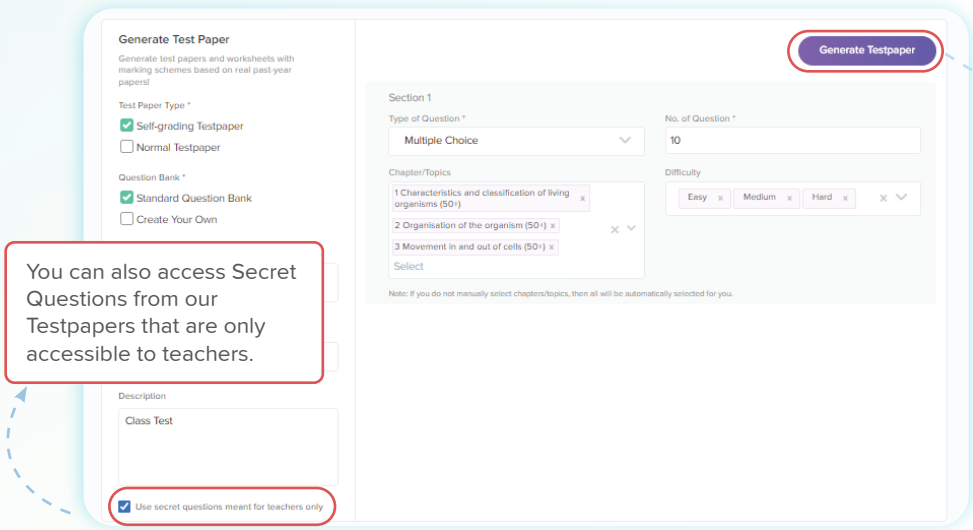

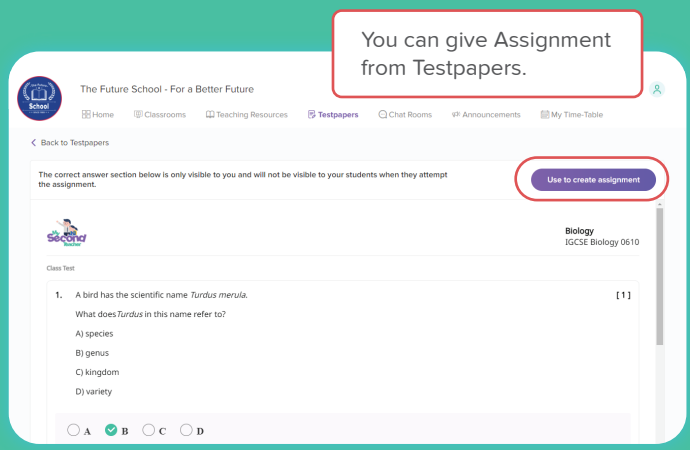

For Responsible Teachers

Wide Range of Assessment Testpapers

Our platform offers a standard question bank utilising which you can generate Self-grading and Normal Testpapers. You can customise these Testpapers by choosing Multiple-Choice or Open-Ended questions and setting difficulty levels. You can also generate your own Custom Testpapers with options to add “Question Introduction,” “Multiple Choice,” “Multiple Answers,” “Open-Ended" and “Fill in the Blanks” questions.

These options for Testpapers allow you to create well-rounded assessments that engage and challenge your students and provide a more accurate measurement of their knowledge and abilities.

For Responsible Teachers

Scheduling Online or Offline Classes

You can schedule Online and In-Class Sessions from our platform. This allows you to adapt to the diverse modalities of education, satisfying the requirements of both online and conventional classroom environments, facilitating efficient lesson delivery and student engagement in any learning context.

Attendance for online classes can be conveniently monitored. And for physical classes, teachers can manually record the students who were absent, sick or were granted the permit to skip the class.
The attendance records are stored in the platform's database and can be used as needed.
